Notice of Receipt of Recall Application

Please be advised that the Department of Public Health has received your MCSR Recall application with payment and it will be processed as soon as possible.

In the event that your registration expires while we are processing your application, under M.G.L. Chapter 94C, section 7, your registration continues in full force and effect unless it is suspended or revoked. As such, you may still prescribe controlled substances pending receipt of your MCSR renewal certificate.

For additional information contact the Drug Control Program at 617-753-8000 or send an email to dcp.dph@state.ma.us.

Thank you,
